

'65 Roses'

Help us plant a garden of 65 roses!

For 44 years, sixty-five roses has been used by children of all ages to describe their disease. But making it easier to say does not make CF any easier to live with. The 65 Roses story has captured the hearts and emotions of all who have heard it. The rose, appropriately the ancient symbol of love, has become a symbol of the Cystic Fibrosis Foundation.

65 roses will be sold for \$100 each to help plant the seeds for a cure for Cystic Fibrosis.

Company name or message will be included on your paper rose "planted" and displayed each week at Highland Road Park
