Dear Tennis Enthusiast:

The Highland Park Tennis Association (HPTA) and the Cystic Fibrosis Foundation (CFF) will again partner to find a cure for cystic fibrosis. This year the Highland Park Tennis Association will host its **28th Annual Charity Tennis Tournament April 16-18, 2010 at the Highland Park Tennis Center**. We expect 250 adult tennis players, along with tournament volunteers and tennis fans to participate.

Help us “plant” a garden of 65 Roses at the 2010 Highland Open! Sixty-five roses will be sold for \$100 each to help plant the seeds for a cure for cystic fibrosis. Your name and/or company name will be included on a paper rose that will be planted in our “65 Roses” garden displayed each week at Highland Road Park and near registration at the 28th Annual Charity Tennis Tournament.

Cystic fibrosis (CF) is a life-threatening genetic disease that affects the lungs and digestive systems of approximately 30,000 children a year. Your support will help fund research and care programs for CF patients that will help improve their quality of life. The Cystic Fibrosis Foundation is continuing to make progress toward the ultimate goal - a cure for CF. Your participation is a vital part of making that goal a reality. The CF Foundation is a 501(c) (3) tax-exempt corporation, so your contribution will be tax deductible in accordance with IRS Regulations.

Please plant a rose and help us get one step closer to **Ace for the Cure**. To plant a rose, just fill out the enclosed form, make your check payable to the Cystic Fibrosis Foundation and mail to Cystic Fibrosis Foundation, 9141 Interline Drive, Suite 4A, Baton Rouge, LA 70809. For more information, please contact Lisa Sanner, Tournament Director, at 225-752-4523 or email Lisalu7@cox.net. Information about (CF) is available at www.cff.org.

Thank you for your support.

With best regards,

Lisa Sanner, Tournament Director
